Description

The property is a four bedroom house located in Archangelos, Nicosia. It offers 439sqm of covered areas on a generous 532sqm plot. The property features two bathrooms, one of which is en-suite with a walk-in closet, a guest toilet, and a versatile basement with two additional rooms, ideal for use as a gym, laundry, or storage space, along with an extra bathroom. An optional swimming pool adds a touch of elegance, perfect for relaxation and entertaining. Built to A Energy Class standards, the home is equipped with underfloor heating, sound and thermal insulation, a solar water heater, and a pressurized water system. High-end finishes such as ceramic tiles or parquet flooring and Technogranite kitchen counters enhance the interior design. The property also includes provisions for a smart home system, an alarm system, A/C units, and photovoltaic panels, as well as an entrance camera for added convenience and security. With two covered parking spaces and a prime location offering close proximity to all essential amenities, this house provides an ideal living environment for families seeking a blend of comfort, practicality, and modern sophistication.
