Description

The property is a residential plot located in the desirable area of Anthoupoli, Lakatameia, Nicosia, within a well-established and family-friendly residential neighborhood. With a total area of 535 sq.m., the plot offers an excellent setting for the construction of a private residence or a residential development project. Its location combines a peaceful residential environment with convenient access to schools, supermarkets, parks, and all everyday amenities, while also providing easy access to Nicosia city centre and major road networks. The plot is suitable for the development of a spacious family home with landscaped gardens and outdoor living areas, while also presenting strong long-term investment potential in a sought-after residential area. The property falls within Planning Zone Kα6, allowing a building density of 60%, coverage of 35%, development of up to two floors, and a maximum building height of 10 metres. These planning characteristics provide flexibility for a variety of residential development options.
